

## Why Switch From FlowJo™ to FCS Express™

If you are currently using FlowJo and are having trouble arriving at publication-quality results, find it hard learning an unfamiliar software interface, and find yourself constantly having to copy and paste tables and graphics to other software packages, then FCS Express might be just what you are looking for!

### Publication Ready Results

With FCS Express your analysis is your final result and is exportable in many formats at any resolution desired by the publisher.

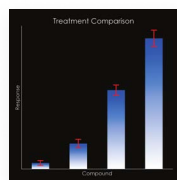

### Intuitive User Interface

FCS Express looks, feels, and works much like familiar Microsoft\* Office software so with FCS Express, you are already almost an expert with the software before you even start.

### Integrated Spreadsheets

In FCS Express, spreadsheets and graphs are integrated and directly linked to your data and gates. Say goodbye to copy and paste!

|   | A             | B           | C        | D        | E       |
